

## Praise Power

is a summer camp designed with the Christian camper in mind. Campers from Preschool—Sixth Grade are invited to an action-packed, praise-filled summer camp. VBS programs will be incorporated within the camp.

Campers will participate in a variety of activities where they will learn new skills and glorify God.

**Camp Praise Power** is located at Gospel of Grace Christian School in Cheltenham. Our camp has access to the Fox Chase pool as well as many other local and area venues.

**Camp Praise Power** is operated by teachers certified in First Aid and CPR, trained in child development, and who have a desire to share the Gospel of Jesus Christ.
