Space is limited at Gospel of Grace Christian School; therefore, if your child is accepted, someone else might be rejected due to lack of space. In making application for enrollment, you are stating that you desire for your child to complete the school year 2024-2025 at Gospel of Grace Christian School. If you remove your child before the end of the school year, an empty spot is left in the classroom. Since we operate at the very lowest cost possible to make Christian education affordable, we are left with a gap in our income. **Therefore, if you remove your child before the school year has ended, you must pay half of the remaining tuition or \$640, whichever is greater.** No records will be released if this obligation is not met, and your balance may be referred to a collection agency.

Tuition balances must be paid in full by the due date each month. If there is any balance due after the due date, Smart Tuition will charge a \$40 late fee. If the balance still is not paid 5 days after the due date, your child's attendance will be interrupted until the balance is paid in full.

I, _____, the legal guardian of _____, desire to have my child complete the 2024-2025 school year at Gospel of Grace. I understand that the policy of Gospel of Grace Christian School is to make NO REFUNDS for registration fees, or book fees. I absolve Gospel of Grace Christian School from liability to me or my child because of injury to my child at school or during any school activity. I have read the Gospel of Grace Christian School handbook with my child and we agree to support the rules, faculty, and administration of the school.
